Bob Roberts

- ↳ What does it mean to fulfill the Great Commission? What does it mean to fulfill God’s plan?
- ↳ The world no longer wants our culture!!! They only want the economics...
- ↳ The rest of the world doesn’t like us...
- ↳ “We can plant churches all day long but if we don’t change them it will just lead to a quicker death”
- ↳ Things that impacted the Bob:
  - Sermon on the mount
  - Intense accountability group
  - Connected with the church
- ↳ People 28 and younger think radically different than older generations
- ↳ If he would plant a church today the one thing he would do:
  - Get 10 people praying for you for 10-15 months
- ↳ What he’s learned from churches around the world and could help:
  - Understand the gospel of the **Kingdom of God**...the transformation of all things (Colossians)
  - The focus in on the **disciple** not the **preacher**
    - Then it is on society...and finally on the church
    - There is a significant movement toward discipleship in our churches
  - It encompasses the reconciliation of **all things**
    - The grid is the society
    - We need to stop limiting viral possibility of the Holy Spirit
  - **All religions** are all **places** which makes for a **naked** public square and thoughtful **communication**
    - In the past faith was bounded by geography, but not anymore
    - “If Paul treated Jewish rabbi’s like we treat Muslim leaders today, then Christianity would not have moved like it did”
    - We are scared of Muslim’s because they are getting converts in the U.S.
  - Knowing other religions isn’t just for the **experts** but for everyone who would communicate who Jesus is
    - Pastors should know how to communicate with others
  - Risk is seen in **life** and **death** not **nickels** and **noses**
    - Pastors across the world go to sleep not knowing if they are safe through the night
    - Why are we such shallow risk takers
    - What are we doing to take risks for the kingdom?
      - **We are dead because we have taken up the cross!!!**
  - Never, never, never **vilify** another religion
    - We tend to judge other religions to make our look good
    - Live out your faith!!!
    - We don’t love people enough!!!!
